

# Reaching Higher for Student Success

Northeast Technical Institute

**Nicholas Elliot (CDL A)** – Graduated high school and wanted to go over the road to pursue the same career as his father. Nick recently took a job with @Work Staffing working for a manufacturing company and utilizing his CDL A license.

**Charlotte & Joshua Grass (CDL A)** – Charlotte was working in retail and her husband Josh was working a labor job. They decided to come to NTI and obtain their CDL A license, and enjoy the experience of going over the road together as a team. Charlotte & Josh are now employed with Covenant Transport.

**Stephen Tubridy (CDL A)** – Stephen was employed in a local paper mill and lost his job. He came to NTI to get the CDL training and travel over the road. Stephen took a job with Werner after he obtained his CDL license.

**Kathy Dow (CMA)** – Kathy had previously worked as a secretary for healthcare schools and organizations and found interest in the clinical aspect of the practices. She came to NTI for Clinical Medical Assistant. Upon completion she participated in an externship at Penobscot Community Health Care, and was then hired at their Helen Hunt Health Center facility as a Medical Assistant.

**Tammy D'Alio (MLA)** – Tammy was working at Redington Fairview General Hospital part-time as an administrative clerk. She had interest in the clinical laboratory element so she came to NTI to be a Medical Lab Assistant. She is now working at RGFH as a full-time Out-Patient Lab Registration Assistant.

**Amanda Hussey (Phlebotomy/EKG)** – Amanda was working in retail before coming to NTI. She completed the Phleb/EKG program and then completed an externship at Stillwater Family Medicine. Upon completing her externship she received a job within the facility, and has moved up to the Laboratory Supervisor at Helen Hunt Health Center.

**Alia Bradley (Medical Coding/Billing)** – A 2007 graduate of Windham High School, decided to attend NTI in the Fall of 2008, while most students her age were attending a four year college. Alia completed her coursework at NTI, and secured employment at Anodyne Health as a biller.

**Monte Mishoe (Phlebotomy/EKG)** – Monte was in the US Navy from 1998-2007. Upon graduation from our 6 week Phlebotomy program, Monte was hired as a phlebotomist at the American Red Cross.

**Glen Johnson (Medical Coding and Billing)** – Glen came to NTI after over 20 years in the financial industry and getting laid off. He should be completed with his Medical Billing and Coding course by this Christmas, but has already been hired by Higgins Billing!

**Steven Berard (HVAC/R)** – Steven recently graduated from our HVAC/R program and has secured a position as an HVAC/R/G Technician with Multispec Heating and Air Conditioning out of Hollis, Maine. Steven worked with Career Development at NTI to build a resume, and during his interview he was told that it was the best resume she had ever seen.

**Sylvie Pelton (Medical Office Assistant)** – Sylvie graduated from NTI with a Medical Office Assistant certification and secured employment with Intermed PA as a Patient Service Representative in September.

Chuck Wilson (CDL A) – Paradigm Windows of Portland, ME contacted Career Services at NTI regarding an open position for a CDL driver on November 10<sup>th</sup>. Since posting the opening on our job board, [www.ntiwired.com](http://www.ntiwired.com), Paradigm recruited and hired Chuck just one week later.
